

TUATARA GUARD

TUATARA GUARD Temporary Floor Protection is a spill absorbent membrane with built-in cushion technology. Featuring a patented slip resistant GRIPSPOT walking surface that reduces movement on floors. Designed to absorb spills without reducing its tear strength or staining the floor below. Can be used multiple times, surface can be easily cleaned through wiping or vacuuming.

BENEFITS

- 960mm x 30m -28.8m
- Re-usable
- Shock absorbing cushion technology
- Spill absorbent without reducing strength
- Slip resistant GripSpot Technology
- Anti-Slip back surface
- Product won't stain or mark floors
- TUATARA Tape available

Note: Not suitable where breathable protection is required, e.g., polished concrete floors.
